

## **Proposal for Supplement 5 to the 04 series of amendments to Regulation No. 46 (Devices for indirect vision)**

The text reproduced below was prepared by the expert from France. It proposes an amendment to UN Regulation No. 46 to include an editorial update of the communication form in Annex 4. The modifications to the current text of UN Regulation No. 46 are marked in bold for new characters.

### **I. Proposal**

*Annex 4*, amend to read:

"4. Category of vehicle: (M<sub>1</sub>, M<sub>2</sub>, M<sub>3</sub>, N<sub>1</sub>, N<sub>2</sub> ≤ 7.5 t, N<sub>2</sub> > 7.5 t, N<sub>3</sub>, **L**)<sup>2</sup>"

### **II. Justification**

Editorial update: alignment of the communication form with with the scope of the Regulation regarding vehicle categories (adding category L).
