agenda item 3(a)

Proposal for amendments to ECE/TRANS/WP.29/GRPE/2017/2

I. Proposals

A. A new Supplement to the 06 series of amendments

Paragraph 1.1., amend to read:

"1.1. This Regulation...

...

At the manufacturer's request, type approval granted under this Regulation may be extended from vehicles mentioned above to special purpose vehicles of categories M₁, M₂, N₁ and N₂ regardless of their reference mass. The manufacturer shall demonstrate to the Type Approval Authority which granted the type approval that the vehicle in question is a special purpose vehicle.¹

B. A new Supplement to the 07 series of amendments

Paragraph 1.1., amend to read:

"1.1. This Regulation...

...

At the manufacturer's request, type approval granted under this Regulation may be extended from vehicles mentioned above to special purpose vehicles of categories M₁, M₂, N₁ and N₂ regardless of their reference mass. The manufacturer shall demonstrate to the Type Approval Authority which granted the type approval that the vehicle in question is a special purpose vehicle.¹

II. Justification

This proposal aims at introducing the provisions of the European Directive 2007/46/EC in Regulation No. 83 by allowing the use of the results of compliance assessment of vehicles with a reference mass less than 2,610 kg for extending the type approval to special purpose vehicles (including armoured ones) having a reference mass exceeding 2,840 kg.
