Seventy-sixth session

Geneva, 19-23 March 2018

Items 5 (c), 5 (d), 9 of the provisional agenda

Round table on Vulnerable Road Users' policies in urban environment in South East Asia and other regions

Submitted by the WP.1 Chair

This document, submitted by the WP.1 Chair, contains the program for a dedicated round table on how to leverage road safety policies and how to promote United Nations road safety legal instruments to accomplish the objectives of the Agenda 2030, and in particular SDGs 3.6 and 11.2. To this end, WP.1, in close cooperation with NHTSA, Government of India, and IRTE, has held three conferences in Delhi, attended by government representatives, road safety stakeholders and academics. At these events, South East Asia participants offered case studies and showcased best practices applicable in low and middle income countries. The round table will be held on 19 March 2018 and it intends to cover the scope of the agenda items 5(c), 5(d) and 9.
