**Sept. 2017**

At the September 2016 session, WP.1 considered (up to paragraph 25.2) **ECE/TRANS/WP.1/2015/2/Rev.3** submitted by France, Italy and Laser Europe. At the current session, WP.1 continued to consider amendment proposals not discussed previously on the basis of **ECE/TRANS/WP.1/2017/1**. While reviewing **ECE/TRANS/WP.1/2017/1**, WP.1 noted translation and formatting inconsistencies. As a result, it requested the secretariat in cooperation with the proponents of the document to review it and to submit a corrected version of the consolidated document as **ECE/TRANS/WP.1/2017/1/Rev.1** at the next session.

**March 2017**

At the last session, WP.1 requested France, Italy and Laser Europe to prepare for this session a document presenting a complete, consolidated text of the relevant parts of the Convention which contain the already adopted and still to be adopted amendment proposals. As the document is still being prepared, WP.1 decided to defer its discussion on this item until the next session.

**Sept. 2016**

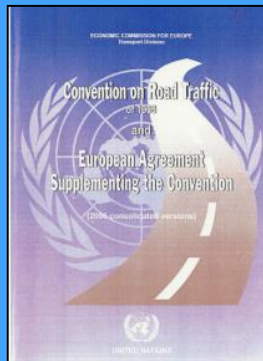

WP.1 began discussing **ECE/TRANS/WP.1/2015/2/Rev.3** prepared by France, Italy and Laser Europe (and reviewed it up to paragraph 25.2). This document reflects decisions taken at the previous session and is based on **ECE/TRANS/WP.1/2015/2/Rev.2**. At the next session, WP.1 will continue discussing **ECE/TRANS/WP.1/2015/2/Rev.3**. WP.1 requested France, Italy and Laser Europe to prepare for the next session a document presenting the complete, **consolidated text** of the relevant parts of the Convention which contain the already adopted and still to be adopted amendment proposals.

**March 2016**

WP.1 began considering **ECE/TRANS/WP.1/2015/2/Rev.2** submitted by France, Italy and Laser Europe. **ECE/TRANS/WP.1/2015/2/Rev.2** is based on **ECE/TRANS/WP.1/2011/4/Rev.5** as revised during the last session (currently **ECE/TRANS/WP.1/2011/4/Rev.6**) and it also contains additional proposals for examination. WP.1 requested France, Italy and Laser Europe to revise **ECE/TRANS/WP.1/2015/2/Rev.2** for the next session based on decisions taken at the current session and to table it as **ECE/TRANS/WP.1/2015/2/Rev.3**.
