

**Proposal to amend draft Supplement 5 to the 01 series of
amendments to UN R100
(document ECE/TRANS/WP.29/2018/134)**

**I. Proposal for Supplement 6 to the 01 series of amendments
to UN Regulation No. 100**

Paragraph 11.5., amend to read:

"11.5. Contracting Parties applying this UN Regulation shall continue to accept UN type-approvals issued according to the preceding series of amendments to this UN Regulation first issued before 4 December ~~2010~~ 2012."

II. Justification

Document ECE/TRANS/WP.29/GRSP/2018/7 was adopted by GRSP during its 63th session. OICA asked with this document to add a paragraph to clarify that existing approvals shall be continuously accepted by Contracting Parties if the approval was issued before Date (B), the so-called Type Approval Date of the new series of amendments.

This additional paragraph was inserted with § 11.5 for the 01 series of amendments and with §12.5 for the 02 series of amendment.

By mistake, for § 11.5 the Date into Force (4 December 2010) was inserted instead of the Type Approval Date (4 December 2012). The dates in § 12.5 are correct and do not need to be modified.
