IV. Justification

1. Since the introduction of Supplement 13 to the 05 Series of amendment to UN Regulation No. 48 (and Supplement 18 to the 04 series and Supplement 6 to the 03 series), references to the new device UN Regulations Nos. 148, 149 and 150 have been included into UN Regulation No. 48.

2. With the entry into force of the new series of amendments (01) to UN Regulation No. 149 produced by IWG SLR, it is necessary to introduce alternative references to UN Regulation No. 48. This amendment deals with such additional references for the 03, 04 and 05 series of amendments to UN Regulation No. 48.
