\* In accordance with the programme of work of the Inland Transport Committee for 2020 as outlined in proposed programme budget for 2020 (A/74/6 (part V sect. 20) para 20.37), the World Forum will develop, harmonize and update UN Regulations in order to enhance the performance of vehicles. The present document is submitted in conformity with that mandate.

## I. Proposal

*Insert new paragraph 11.7. to read:*

**"11.7. Notwithstanding provision of paragraph 11.6. above, Contracting Parties applying this Regulation shall continue to accept type-approvals of, and to grant extensions of approvals of components to the 01 series of amendments to this Regulation which are not affected by the changes introduced by the 02 series of amendments."**

## II. Justification

This amendment aims to clarify the validity of type approvals according 01 series of amendments to this regulation for components not affected by modifications introduced by 02 series of amendments. Liquid Gas Europe believes that type approvals according to 01 series of amendments shall remain valid and shall unless the component is affected by technical provisions introduced by 02 series of amendments.
