

Proposal for Supplement 5 to the 03 series of amendments to UN Regulation No. 129 (Enhanced Child Restraint Systems)

The text reproduced below was prepared by the expert from the European Association of Automotive Suppliers (CLEPA) with the aim to improve the formal document ECE/TRANS/WP.29/GRSP/2020/15 that deals with the digital user guide and originally prepared by JAPAN and CLEPA. The improvements included in this document were discussed and agreed in an online discussion that took place on the 7 December 2020 involving Contracting Parties and stakeholders. The modifications to the current text of the formal document are marked in bold for new or strikethrough for deleted characters.

Insert new paragraph 14.2.11., to read:

- "14.2.11. For Enhanced Child Restraint Systems which do not provide a paper form of the user instructions with the Enhanced Child Restraint System the following information shall be clearly visible on the exterior of the packing in the language of the country :**

"IMPORTANT – A PHYSICAL PAPER USER GUIDE IS NOT INCLUDED WITH THIS PRODUCT.

THE USER GUIDE CAN BE FOUND BY FOLLOWING THE QR CODE~~*~~

THE USER GUIDE CAN BE FOUND BY FOLLOWING THIS WEBLINK XXXXXX~~*~~

~~*Delete as appropriate*~~

Paragraph 14.4.2., amend to read:

- 14.4.2. A weblink ~~or~~ **and** QR code with the product to where a digital version of the information detailed in paragraph 14.3. can be found. The website linked from the weblink ~~or~~ **and** QR code shall be written in the language of the country where the ECRS is sold or, on the top page of the website, a language selection shall be available. The digital version shall be edited in a printable format **and available for the life time of the product, at least 10 years counted from the time when production is definitely discontinued . A statement, added to the approval documentation, confirming that this information will be available for at least 10 years after the production has been discontinued, shall be provided by the manufacturer. The consumer shall not be required to enter any personal data into the website before being able to access the digital user guide;**

II. Justification

When accessing to the digital user guide, the consumer shall not be required to enter any personal data into the website.
