

Highlights of the 179th WP.29 session
and
Other GRVA relevant information

Relevant highlights of the 179th WP.29

General

- Director Li informed on the recruiting process of the GRSG secretariat. He strongly encouraged women to apply.
- Following AC.2 discussions, GRVA received two additional days for 2020.
- WP.29 corrected the Framework Document on the safety of Automated Vehicles.
- FIA made a presentation related to the TF CS/OTA activities. The secretariat produced GRVA-05-12 in response.
- WP.29 agreed to consult the GRs regarding UI and marking provisions (see item 11(a)).
- WP.29-WP.1 combined session (2h) during the WP.29 week in March 2020

1958 Agreement

- WP.29 postponed the vote on the RCM provision in order to consider the latest amendments adopted by GRVA.
- UN Regulation No. 152 (AEBS M1/N1) entered into Force in January 2020

1998 Agreement

- AC.3 briefly discussed the need to amend UN GTR No. 8 (ESC)
