

Running order and tentative timetable for the sixth session of GRVA

3-4 March 2020

Geneva, Palais des Nations

Room V

The table below provides an estimation on the date and timing for the agenda items proposed in ECE/TRANS/WP.29/GRVA/2020/18.

The ambition of this GRVA session is to complete the ALKS and Cybersecurity work-streams mandated by the framework document on automated vehicles and expected to be delivered in March 2020.
