

Workshop on the Implementation of the 1997 Agreement

15 November 2019

Room IV, Palais des Nations

11 November 2019

Background

The aim of the workshop is to strengthen knowledge of Contracting Parties on how to efficiently implement the provisions of the 1997 Agreement and update national PTI systems to get best benefits from the activities under the Agreement. The workshop will discuss the content and implementation of the UN Rules for carrying out technical inspections of vehicles in use. Participants will also have the chance to share experiences and best practices in implementing the 1997 Agreement.

Moderator (TBC)

Mr Nedad Nikolic will moderate the workshop.
