Departament Transportu Drogowego

Ref.: DTD-7.4311.178.2020

**Sustainable Transport Division  
United Nations Economic Commission for Europe**

Regarding the email dated 27 November 2020, the Department of the Road Transport in the Ministry of Infrastructure of Poland in accordance with ADR 2021, 8.2.2.8.6 kindly provides the description of the ADR driver training certificate.

ADR driver training certificate is document made of plastic, having dimensions compliant with ISO 7810:2003 ID-1, not luminescent under ultraviolet radiation, with overprint on the entire surface of the document.

Security features of this document are: fine line guilloche patterns, rainbow printing, UV fluorescent overprint, microprints, security feature made with optically variable ink (OVI), tactile embossing on the surface of the document, a transparent hologram overlapping the portrait, an individual numbering, unique for each document; the individual number consists of 2 letters and 6 digits, the letters are separated from the digits with a single space.

A specimen of this document is attached.

Yours sincerely,

Krzysztof Tomczak

Deputy Director of the Department of Road Transport
