Subject: Request for new deadline - ACCC/C/2016/143 (Czechia)

Dear Ms. Marshall,

I coordinate the preparation of the response to your letter regarding the compliance case ACCC/C/2016/143, but it seems we will need more time - mainly due to the need of professional translation of the legal text.

I am now waiting for some final documents and then I make a request for translation. I do not have a clear idea about how long it takes to translate the documents + we need time to do the text corrections.

I would like to ask for **postponing the deadline and suggest the 8th of February as a new date.**

I hope it would be no problem.

Kind regards,
