

Gendered Digital Divide "Digitally Empowered Generation Equality in the wake of COVID-19"

9 March 2021 – 10:00 – 12:00 CET

This session will focus on solutions and best practices to address the root causes of the gendered digital divide. It will also provide an overview of the current ecosystem when it comes to Women, Girls and ICT in the context of COVID-19 in selected countries of the ITU Europe Region.

Representatives of UN agencies (ITU, UN Women) and partners highlight a series of key actions, activities, initiatives and partnerships that address the gendered digital divide. The ITU and UN Women Digitally Empowered Generation Equality Report will be launched and inform the planned discussions at this session.
