16:00–17:30 CET

Virtual event. [Register here.](#)

Organizations in International Geneva produce a wide range of policy relevant research on how to make progress on the 2030 Agenda for Sustainable Development. How can we ensure that this research is received by policymakers in governments, the private sector and civil society?

With speakers from the Permanent Mission of Switzerland in Geneva, United Nations agencies, the Geneva Science-Policy Interface and academia.
