GLOBAL WORKSHOP
ON BUILDING CLIMATE RESILIENCE THROUGH
IMPROVING WATER MANAGEMENT AND SANITATION
AT NATIONAL AND TRANSBOUNDARY LEVELS
29 - 31 March 2021, hybrid
Palais des Nations, Geneva and online

Title: Climate - Resilient Water Safety Planning in Ethiopia

Speaker: Azeb Tadesse Awoke
Water Resource Engineer (BSc)
Integrated River Basin Management (MSc)
WSSS Safety & Service Deliver Team Leader
Water Development Commission, Ethiopia

Water Convention/Protocol on Water & Health
Climate - Resilient Water Safety Planning in Ethiopia

- JTR 5/ MSF-5: Prioritized Water Quality as one of the 5 major areas of discussion and undertaking in 2012
- National CR-WSPs strategic framework, and implementation guidelines developed in 2015
- Capacity Building trainings on development and implementation of the CR-WSPs
Climate Resilient Water Safety Plan (CR-WSPs) pilot implementation by WHO/MoWIE

- 31 water supplies (17 rural water schemes, 14 urban utilities)
- Reaching about 1.25 million people
- Documented and shared lessons

CR-WSPs external – informal auditing (process evaluation) of 16 sites

- 10 Town Water Supply & Sewerage Enterprises
- 06 Rural Community Managed Water Supplies
CR-WSP Audit Finding

Audit Finding (Town water utilities, by WSP steps)

CR-WSP Audit Finding
Audit finding (Rural, by WSP steps)

- CR-WSP Team: 30.0
- System Description: 25.6
- Hazard ID and Improvement Plan: 32.8
- Risk Assessment: 62.5
- Operational Monitoring: 20.3
- Verification: 5.0
- Management Procedures: 8.3
- Supporting Programs: 26.6
- Review and Revision: 4.7
Identified gaps

- Considering CR-WSP as a project (perception)

- Different implementation approach among partner

- Lack Institutionalization of CR-WSP activities at all level in the sector strategies, plans, monitoring and evaluation systems
Success factors

- Base on the above pilot result
  - Incorporated CR-WSP in water policy, strategy and OWNPs and utility performance measures

- Scale up of the CR-WSP to 50 sites (20 rural and 30 urban) by mobilizing budget

- Standardize the CR-WSP implementation strategy

- Adoption of CR-WSP approach by different partner organizations
THANK YOU
