GLOBAL
CENTER ON
ADAPTATION

- Goal Water Action Track towards Climate Adaptation Summit (CAS)

To accelerate and scale up climate adaptation using water and the water sector as an essential enabler and connector to safeguard a sustainable and resilient future for all everywhere.

- Working together with:

- 57 partners: NGO's, Multilaterals, Knowledge Institutes, IFI's, Private Sector
- 20 countries

- Conclusion CAS: Water in the heart of Climate Action!

Towards COP26 - and UN2023 and 2030
