“Explanatory Notes to Annex 11, Article 2 (h)

11.2 (h)-1 Until a harmonized approach has been established and described in the eTIR specifications, Contracting Parties bound by Annex 11 may authenticate the holder with any process provided for in their national law, including, but not limited to, user name/password or electronic signatures.

11.2. (h)-2 The integrity of the data exchanged between the eTIR international system and the competent authorities as well as the authentication of the Information and Communication Technology (ICT) systems will be ensured by means of secure connections, as defined in the eTIR technical specifications.

Explanatory Note to Annex 11, Article 3, paragraph 2

11.3.2 Contracting Parties bound by Annex 11 are recommended to have their national customs system updated and its connection with the eTIR international system ensured as soon as Annex 11 enters into force for them. Customs or economic unions may decide on a later date, allowing them time to connect the national customs systems of all their member States to the eTIR international system.

Explanatory Note to Annex 11, Article 6, paragraph 3

- 11.6.3 Contracting Parties bound by Annex 11 are recommended to recognize, in as far as possible, the submission of advance TIR data and advance amendment data by the methods indicated in the functional and technical specifications.

Explanatory Note to Annex 11, Article 7, paragraph 2

- 11.7.2 The eTIR international system ensures, by means described in the eTIR specifications, the integrity of the advance TIR data, or the advance amendment data, and that the data were sent by the holder.

Explanatory Note to Annex 11, Article 7, paragraph 4

- 11.7.4 The eTIR international system ensures, by means described in the eTIR specifications, the integrity of the declaration data and that the data were sent by the competent authorities of the countries involved in the transport.

Explanatory Note to Annex 11, Article 8

- 11.8 The eTIR international system ensures, by means described in the eTIR specifications, the integrity of the declaration data, including the reference to the holder, authenticated by the competent authorities that accept the declaration, received from and transmitted to competent authorities.

Explanatory Note to Annex 11, Article 11, paragraph 3

- 11.11.3 If necessary, Contracting Parties may decide to finance the operational costs of the eTIR international system through an amount per TIR transport. In such cases, Contracting Parties shall decide on the appropriate time to introduce alternative financing mechanisms and on their modalities. The required budget shall be prepared by ECE, reviewed by the Technical Implementation Body and approved by the Administrative Committee.”
