

Proposal for amendments to amend UN Regulation No. 39

This is an alternative proposal to that by ECE/TRANS/WP.29/GRSG/2021/7

1. Proposal

Paragraph 5.5.1, amended to read:

“5.5.1 If ~~a setting makes it possible for the driver to choose between a~~ **the**
odometer is able to display the total distance recorded by the vehicle
since its entry into service in kilometres and miles, then the distance
~~may be~~ **shall only be** displayed ~~only~~ in either kilometres or miles at
any one time, **and the display must indicate the units of the**
distance being shown. ~~The corresponding unit shall permanently be~~
~~displayed.~~
