

Single Window and COVID-19 webinar, 4 May 2021

During the 36th UN/CEFACT Forum, 26 - 7 May 2021 Virtual

ABDOULLAHI FAOUZI

Technical Director, Single Window for Foreign Trade Operations, Cameroon

M. Abdoullahi FAOUZI is an IT Engineer from National High School of Engineering of Yaoundé, Cameroon.

He is since 2005 an employee of the SW for Foreign Trade Operations of Cameroon, where he occupied several technical positions until reaching the Top management level respectively as CIO, COO and finally Technical Director. While occupying these positions, he manages the implementation and the operations of the electronic SW as well as many added value services.

He is the Single Window's Focal Point at the African Development Bank/World Bank Unit of the Ministry of Public Works of Cameroon. As member of the FASTRAC project team, he manages Facilitation of Transport and Transit in CEMAC activities related to paperless Trade.

Prior to the SW, he worked in the telecommunication sector (Orange CAMEROUN) as application developer in 2004.

Involved in activities of the African Alliance for Electronic Commerce since 2008 and he the acting vice-President of the Technical Committee where many international projects are managed.

M. Abdoullahi FAOUZI is, since February 2016, member technical secretariat of the national trade facilitation body (NTFB) in charge of the implementation of WTO Trade Facilitation Agreement in Cameroon and actually acting as the Vice-Chair of the Commission in charge of procedures simplification, harmonization and standardization.
