Ref: 11.VC0035

The submissions on this file and the Inspector's report were considered at a Board meeting held on 21st November 2012.

The Board decided that the proposed development comes within the scope of Section 182A of the Planning and Development Act, 2000, as amended, and comprises strategic infrastructure.

The Board noted and concurred with the Inspector's view (at section 8.2 of her report) that, based on information available in this pre-application file, an EIS appears unnecessary for the subject development.

The list of prescribed bodies as recommended in the Inspector's report was considered acceptable.
