on Population and Housing Censuses

Work Plan for Developing the 2030 CES Recommendations

CES Steering Group

on Population and Housing Censuses

Full Work Plan at bit.ly/UNECECensus2030WorkPlan

- a) Establish thematic task forces to revise selected parts
- b) Comprehensive survey of national practices employed in the 2020 round
- c) Expert community (you!) review the results of both of these
- d) Consolidate into revised edition to be published in 2025.
