

Economic Commission for EuropeExecutive Body for the Convention on Long-range
Transboundary Air Pollution**Working Group on Strategies and Review****Fifty-ninth session**

Geneva, 18–21 May 2021

Item 1 of the provisional agenda

Adoption of the agenda**Annotated provisional agenda for the fifty-ninth session****Addendum****3. Progress in the implementation of the 2020–2021 workplan**

5bis. With items 2.1.3 and 2.1.4 of the 2020–2021 workplan for the implementation of the Convention (ECE/EB.AIR/144/Add.2), the Working Group is tasked with discussing:

(a) Control strategies to recommend for use by the Task Force on Hemispheric Transport of Air Pollution in future scenarios; and

(b) Hemispheric transport to further inform the review of the Protocol to Abate Acidification, Eutrophication and Ground-level Ozone (Gothenburg Protocol).

The Working Group is expected to discuss the progress in the implementation of these workplan items and to agree on the way forward.

Documentation

Chairs' report on the fiftieth session of the Task Force on Integrated Assessment Modelling (informal document)

Comments by Parties on the draft assessment report on ammonia and the draft guidance document on prioritizing reductions of particulate matter so as to also achieve reduction of black carbon (informal document)

4. Review of sufficiency and effectiveness of the Protocol to Abate Acidification, Eutrophication and Ground-level Ozone**Documentation**

Comments by Parties on the evaluation of mitigation measures for black carbon emissions and of ammonia control measures (Gothenburg Protocol, art. 10, paras. 3 and 4, respectively) (informal document)

Joint submission of Canada and the United States of America for the outline of the review of the Gothenburg Protocol (informal document)

Gothenburg Protocol review timeline (informal document)

Draft report on the review of the Protocol to Abate Acidification, Eutrophication and Ground-level Ozone (informal document)

Working Group on Strategies and Review inputs to the annotated outline (informal document)

Overview and review of flexibilities in the amended Gothenburg Protocol (informal document)

Issues to consider for nitrogen in relation to the review of the Gothenburg Protocol (informal document)

Informal document on non-technical and structural measures (informal document)
