

Working Party on Pollution and Energy (GRPE) Highlights of the March 2021 session of WP.29

WP.29 was again held as hybrid meetings (with part/all of the audience attending remotely).

WP.29:

EU submitted proposed revision of the Programme of Work, including updates to GRPE priority list (WP29-183-13). Final PoW to be adopted during the June 2021 WP.29 session.

Received a presentation from GreenNCAP on the associated rating scheme (WP.29-183-19), following a similar presentation to GRPE in January 2021 (GRPE-82-31-Rev.1)

AC.1 adopted new supplements to the 00 and 01 series to UN Regulation No. 154, submitted by the EU and Japan (as discussed during the Jan 2021 GRPE session)
