

Report from the Informal Working Group on AEBS

- **Discussion about virtual testing for AEBS-M1/N1**

16th AEBS-M1/N1 in April 2021:

- **Discussion about virtual testing for AEBS-M1/N1**

Documents: AEBS-16-02 (Proposal from France)

AEBS-16-06 (Feedback from OICA/CLEPA)

Example of correlation : Pedestrian turning scenario

UTAC CERAM
AVSimulation

The group discussed the virtual testing of AEBS-M1/N1. I reported at last GRVA session (GRVA-09-26).

There is no new document for this GRVA session, but the group scheduled 2 informal meetings before the next GRVA session in September.

Next meeting:

- June 1st (CET: 8:30 am - 11:30 am) and June 21st

**Thank you
for your attention**
