

Workshop “Strengthening national capacity in applying sustainable energy policies and practices based on the recommendations of the Environmental Performance Reviews”

30 June 2021, Online
09:00 a.m. – 12:00 p.m. (CEST)

Moldova - 3rd EPR

Report	No.	Topic	SDG	Recommendation (quote)	Implementation	Implementation update
Annex I	8.3	Legal, Policy and Institutional framework		<i>The Ministry of Industry and Infrastructure should initiate the restructuring of the National Energy Conservation Agency and the National Fund for Energy Conservation based on the experience of other countries on energy savings and energy efficiency improvements.</i>	<i>This recommendation has not been fully implemented. The 2010 Law No. 142 on Energy Efficiency was adopted to support the development of the energy sector and energy efficiency. In order to ensure the growth of energy efficiency and fuel, and the use of the most efficient energy and manufacturing technologies that reduce energy intensity and prevent environmental impact, the National Energy Efficiency Programme for the period 2011–2020 was adopted in 2011 (GD No. 833). The 2012 GD No. 401 approved the Regulations on the organization and functioning of the Energy Efficiency Fund. So far, there is no implementation report on the Programme.</i>	Implemented
