

**Committee of Experts on the Transport of Dangerous Goods
and on the Globally Harmonized System of Classification
and Labelling of Chemicals**

25 June 2021

Sub-Committee of Experts on the Transport of Dangerous Goods

Fifty-eighth session

Geneva, 28 June-2 July 2021

Item 5 (c) of the provisional agenda

Transport of gases: miscellaneous

Updated ISO standards in Class 2

Submitted by the International Organisation for Standardisation (ISO)

Introduction

1. The expert from Canada has kindly brought to our attention two errors in paper ST/SG/AC.10/C.3/2021/10 concerning Proposals 2 and 4. In Proposal 2 we incorrectly cited the 2011 version of ISO 16148 as being the one referenced in 21st revised edition of the Model Regulations when it is actually the 2016 version (see 22nd revised edition). In Proposal 4 we referred to P205 when we should have referred to P206. The corrected proposals are shown below.

Revised proposals

Proposal 2

2. In 6.2.1.6.1 (d), Note 2 replace “ISO 16148:~~2011~~ 2016” by “ISO 16148:~~2011~~ 2016+ Amd 1:2020”.

Proposal 4

3. In 4.1.4.1 ~~P205~~P206 PP89 replace “ISO 11118:1999” by “clause 1 of ISO 11118:2015 + Amd 1:2019”.
