Questions to WP.29

WP.29 is requested to consider:

- The extension of the mandate for the IWG on DETA with two more years due to the development of the DoC, UI and more functionalities. (Current mandate until June 2021).
- The amendment of the UI guidelines doc. WP.29/2019/77:
*“For the purpose of Unique Identifier, a product is a physical object, or a group of physical objects consisting of one or more approved systems, components, equipment or parts and is identified ~~by a single type approval number or by a~~ unique combination of **sections 1 and 3, plus the regulation number specified in section 2** of type approval number(s), as is typically for lamp units.”.*
