

# High-level roundtable discussion on the analysis of national air quality legislation and National Action Plan for ratification of the UNECE Air Convention's key protocols

12 July 2021, 14.30 - 17.30h (Nur-Sultan time (online))

## Objectives of the meeting:

- To work with the country to raise the profile and awareness on the UNECE Air Convention and the benefits of joining the protocols;
- To promote activities under the Air Convention's assistance programme;
- To increase the visibility of the country's progress made in implementing the Air Convention;
- To discuss aligning the country's national legislation with the provisions of the protocols and to determine next steps for ratification.
