Item 7(d) of the provisional agenda

Future work of the Committee on Sustainable Energy:

Approval of documents

Revised publication plans for 2021 and 2022 and draft publication plan for 2023

Note by the secretariat

Summary

United Nations publications are published in response to legislative mandates or requests by intergovernmental bodies (ST/SGB/2012/2, para. 2.4 (a)).

The present document makes reference to the already approved publication plans for 2021 and 2022 (Annex II to the report of the Committee on Sustainable Energy of its twenty-ninth session, ECE/ENERGY/133), to which the sustainable energy subprogramme wishes to introduce changes.

The titles of publications provided in this document for 2022 and 2023 are preliminary titles.

The Sustainable Energy Division proposes that only electronic versions of publications be issued going forwards.

The Committee on Sustainable Energy is invited to approve this document at its thirtieth session.
