Dear Mr. Eberle, *dear Hanspeter*

I am writing to you on behalf of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991).

At its sixteenth session, held in Berlin from 10 to 12 March 2009, the Committee examined your e-mail message of 21 January 2009, in reply to my letter dated 24 November 2008.

The Committee has asked that I write to you to express the Committee's thanks for your letter and to inform the Government of Liechtenstein that the Committee was satisfied with the clarification provided.

The Committee also requested your agreement that the correspondence between the Committee and your Government be placed on the Convention's website. Similar correspondence between the Committee and Parties has already been placed at [http://www.unece.org/env/eia/implementation/implementation\\_committee\\_letters.htm](http://www.unece.org/env/eia/implementation/implementation_committee_letters.htm), as illustration of the Committee's approach to a specific compliance issue and of a proper and sufficient response from a Party to address the issue.

Yours sincerely,

Matthias Sauer  
Chair, Implementation Committee,  
Convention on Environmental Impact Assessment  
in a Transboundary Context
