Dear Mr. Krajčič, Ms. Kolar-Planinšič,

I am writing to you on behalf of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991).

At its sixteenth session, held in Berlin from 10 to 12 March 2009, the Committee examined your letter dated 29 January 2009 (ref. 5402-5/2008, received 3 March 2009), in reply to the secretariat's e-mail message of 12 November 2008. The Committee member nominated by Slovenia (Ms. Kolar-Planinšič) left the room during the discussion, in accordance with the Committee's operating rules.

The Committee has asked that I write to you to express the Committee's thanks for your letter and to inform the Government of Slovenia that the Committee was satisfied with the clarification provided.

The Committee also requested your agreement that the correspondence between the Committee and your Government be placed on the Convention's website. Similar correspondence between the Committee and Parties has already been placed at http://www.unece.org/env/eia/implementation/implementation_committee_letters.htm, as illustration of the Committee's approach to a specific compliance issue and of a proper and sufficient response from a Party to address the issue.

Yours sincerely,

Matthias Sauer
