Ref. EIA/IC/SCI/3/3

Dear Ms. Plesco,

I am writing to you on behalf of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991).

At its twenty-third session, held in Geneva from 5 to 7 December 2011, the Committee examined the information provided by you on 16 November 2011, in reply to the Committee's letter of 13 September 2011 seeking clarifications on the legal basis for the implementation of the Convention in the Republic of Moldova.

The Committee has asked that I write to you to express the Committee's thanks for your information and to inform the Government of the Republic of Moldova that the Committee was satisfied with the clarifications provided as regards the relevant national legislation. The Committee noted, however, that this was without prejudice to any further consideration by the Committee on the practical and legal implementation of this legislation.

The Committee also requested your agreement that the correspondence between the Committee and your Government be placed on the Convention's website, as illustration of the Committee's approach to a specific compliance issue and of a proper and sufficient response from a Party to address the issue.

Yours sincerely,

Vesna Kolar Planinšič  
Chair, Implementation Committee,  
Convention on Environmental Impact Assessment  
in a Transboundary Context
