

## **Procedural matters regarding the Committee's work since MOP6**

- Impacts of COVID-19 on Committee's case management (requests for extensions and Committee member availability)
- Impacts of COVID-19 on Committee's working methods (virtual meetings)
- Increased frequency of virtual meetings between "Geneva" meetings
- Commencing deliberations without a hearing – in practice
- MOP follow-up procedure - general (two progress reviews and draft final report for comment)
- MOP follow-up procedure – specific (advice during follow-up)
- Reconsideration of determination of inadmissibility
- Importance of well-structured and well-substantiated communications
- New allegations should not be introduced at a late stage
- Ecoforum legal support to communicants
