Dear,

In your letter dated 2 November 2020, it was noted that at its forty-eighth session, held via video conference from 1 to 4 September 2020, the Implementation Committee of the Convention on Environmental Impact Assessment in a Transboundary Context and its Protocol on Strategic Environmental Assessment noted the joint information from two non-governmental organizations (NGOs) from Bosnia and Herzegovina (the Aarhus Centar and Centre for Environment) and two NGOs from Montenegro (Green Home and Environmental Movement “Ozon”) regarding the compliance of Bosnia and Herzegovina with its obligations under the Convention with respect to the construction of the Buk Bijela hydropower plant. Enclosed to your letter was the correspondence from the four NGOs for its consideration and it also included request to provide information with regard to the activities.

In accordance with inquiries in your letter, we are submitting requested information and clarifications.

Sincerely,
