

# European Union – Central Asia Water, Environment and Climate Change Cooperation

Valts Vilnītis  
Team Leader

This project is implemented by the consortium led by Stantec, with ELLE (Estonian, Latvian & Lithuanian Environment), ACTED, and Kommunal kredit Public Consulting as the consortium partners.

# WECOOP Project – basics

- Third phase (2019 –2022);
- Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Uzbekistan; project Office in Nur-Sultan;
- The project aims to enhance environment, climate change and water policies in Central Asia through approximation to EU approaches and standards and to promote green investments;
- Key activities:
  - ✓ Policy dialogue between the EU and CA countries,
  - ✓ Capacity Building,
  - ✓ Communication/analysis/networking

# How we are involved with NAP?

- WECOOP supports various environmental policy development initiatives in CA, including air quality management;
- We were invited to cooperate with UNECE on the development of NAP, providing local contacts and expertise;
- We carry out a lot of work on BAT introduction with IGTIPC;
- We work hard to identify investment projects, aiming at improvements of urban air quality – also in Kazakhstan

# Thank you!
