Dear Fiona and Colleagues,

[Case ACCC/C/2008/32](#)

As a follow up to our previous updates and communications, we are happy to let you know that the co-legislators reached a political agreement at the final trilogue on the revision of the Aarhus Regulation on 12 July 2021. In the attached document, you will find a summary of the results of the agreement reached between the co-legislators. We are confident that the agreement fully addresses all concerns identified in the Committee's findings and advice related to case ACCC/C/2008/32. A consolidated version including the full text is under finalisation and will be sent to the Committee without delay as soon as publicly available.

In attachment, please see also the Commission press release, which is also available at: [Political agreement on the Aarhus Regulation \(europa.eu\)](#).

[Case ACCC/C/2010/54](#)

We take note of the draft report with regard to case ACCC/C/2010/54 and have no further comments at this stage.

Kind regards,

Zsuzsanna
