Subject: Aarhus Convention/ACCC/M/2017/3 (European Union)/ EU comments on the Committee's draft report/ consolidated text as approved by Coreper on 23 July

Dear Fiona and Colleagues,

As anticipated in our email below of 16 July, please see attached a courtesy copy of the consolidated version including the full text of the Revised Aarhus Regulation as approved by Coreper earlier today. It is also available in the Council' public register. Please note that the text will be subject to further linguistic review and a process of translation, which may result in further minor linguistic changes.

Kind regards,

Zsuzsanna
