Economic Commission for Europe

Inland Transport Committee

Global Forum for Road Traffic Safety

Eighty-third session

Geneva, 20-24 September 2021

Item 7 of the provisional agenda

Sustainable Development Goals:

Potential contribution by WP.1

Ancillary to the document Informal No. 5, submitted by Imola Living Lab, proposing an innovative exemplary approach related to the implementation of several SDG Targets, the addendum is featuring the agenda and the distinguished guest speakers and colleagues involved. They will be sharing their view on the project. WP1 is invited to offer comments and insights on how best to proceed on this topic.
