Exposure as a Service	EaaS
Energy as a Service	EaaS ^[6]
Energy storage as a Service	ESaaS
Engagement as a Service	ENaaS
Electric Vehicle as a Service ^{[7][8]}	EVaaS
Function as a Service	FaaS
Farming as a Service	

Resources as a Service

Leap frogging

Products

degradation

Commodity

growth

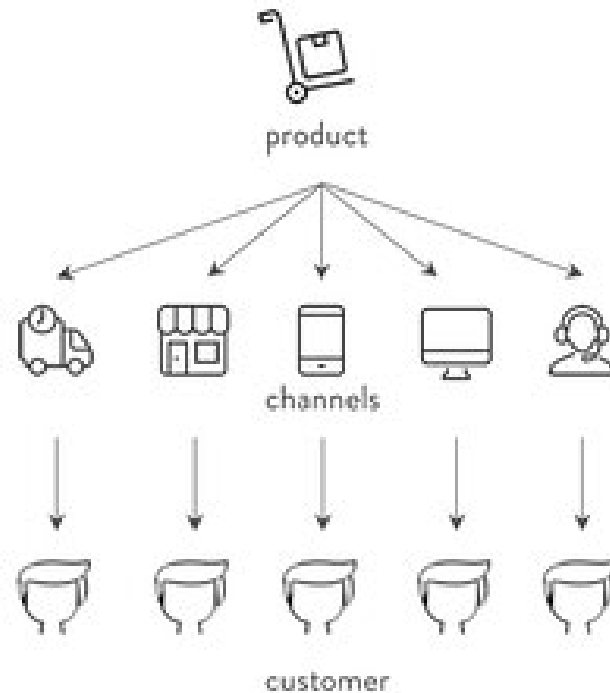

Branding, cost differentiation etc.

Product-focus to Outcome focus

A NEW WAY OF THINKING

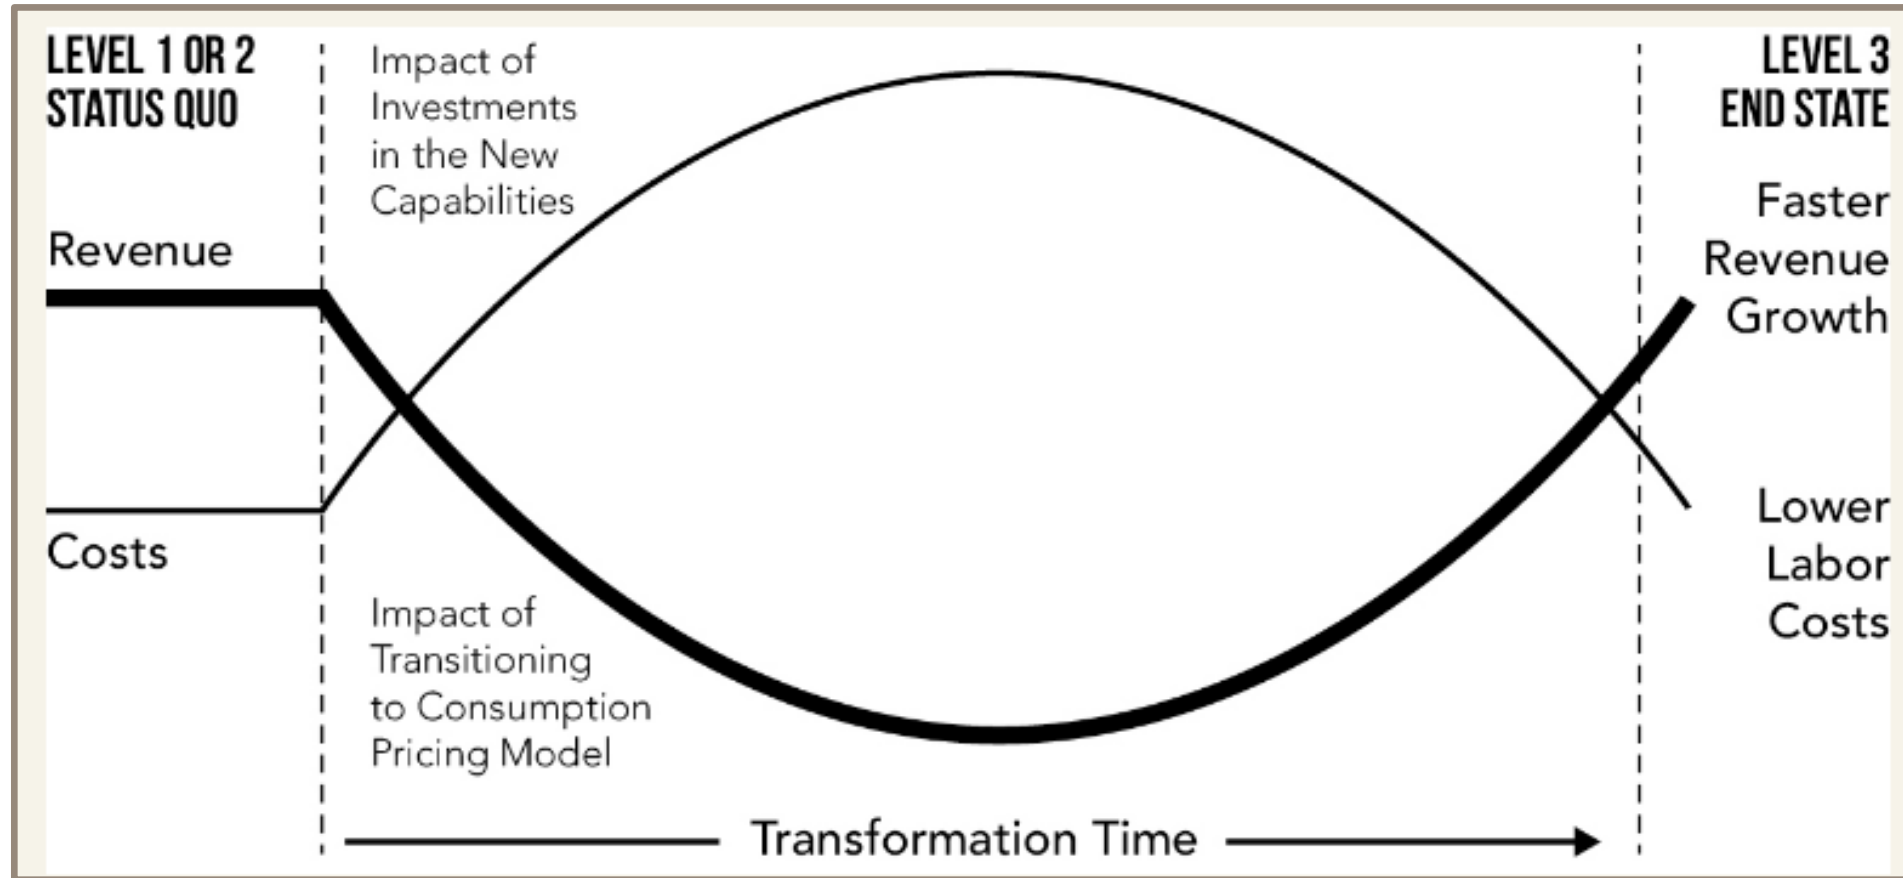

Old Business Model

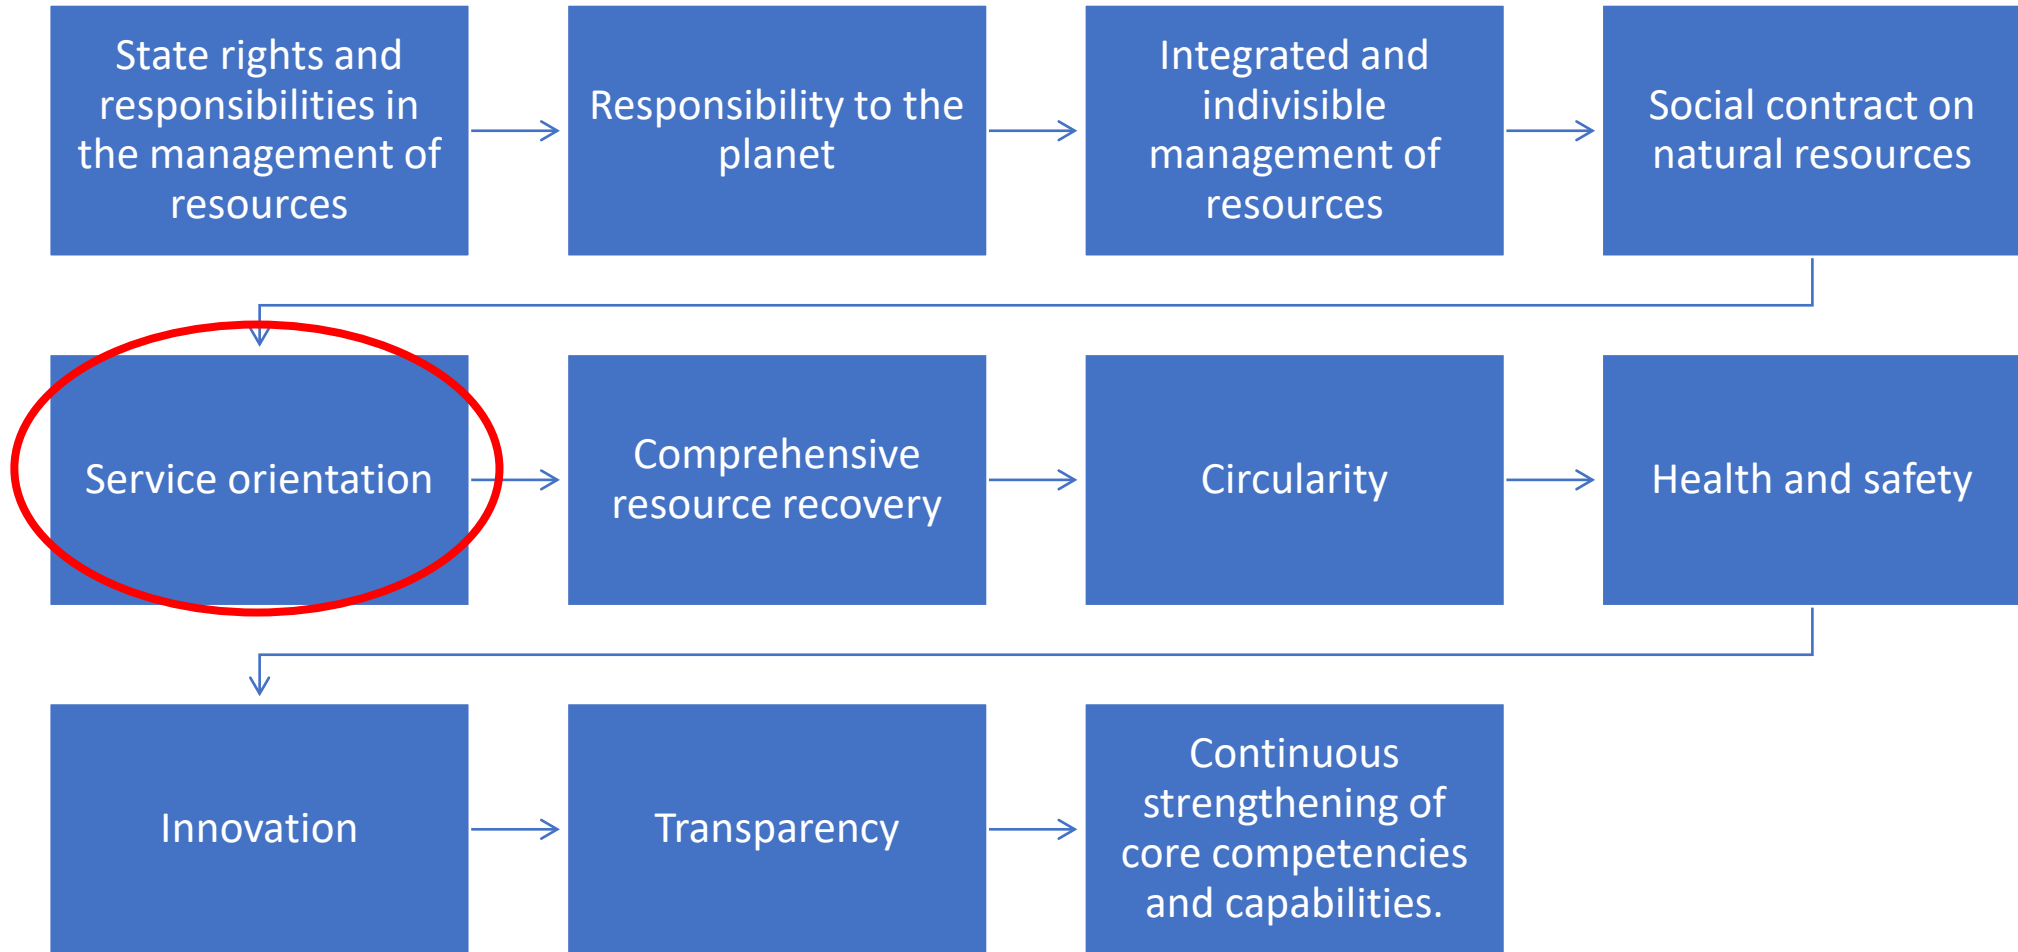

New Business Model

Transition time was shorter and least painful than anticipated

United Nations Resource Management System

Thank you!
