Best practices

Video

- **Only use video when speaking**
- Turn on an overhead/front light and face a window if possible.
- Avoid backlight.
- Frame your image.
- Check the background – simple/neutral is best.

Sound

- Choose a **quiet** environment and reduce background noise.
- Adjust the headset (do not put the microphone too close to your mouth).
- Adjust the volume of your headphones.
- Use only one device at a time.
- **Always mute your microphone when you are not speaking.**
- Speak clearly with a normal voice when you take the floor.

Interacting with GRE

If you want to ask a question or take the floor

- Get into the chat feature (please do not use the raise my hand button, the Chair won't see it)
- Select Everyone
- Request for the floor by typing "Floor"
Or type your question : eg. "can you please clarify..."

- Wait for the Chair to give you the floor
- Unmute yourself before speaking, and if you want, turn on the video or [share your screen](#) in case of a presentation
- If urgent and you want to react to a specific statement, unmute yourself and ask the chair directly for an intervention.
- Mute yourself after your intervention.

Working Party on Lighting and light-Signalling (GRE) proceedings for virtual GRE

- There will be a short 10-min comfort break during each session
- GRE session will be recorded
- Endorsement of working / informal documents will take place orally, with the Chair asking for abstention / objection
 - Abstention / objection can be sent via the chat or by requesting the floor
 - In addition, about 10 seconds of reaction time will be given by the Chair to Contracting Parties before endorsement of the document(s)
- At the end of the session, an informal document with the list of main decisions will be presented to GRE. Following the session, it will be circulated to the permanent missions in Geneva for final confirmation by the established silence procedure
