

Inaccuracies in UN Regulation No. 79

1. Para. 5.1.6.1.1

ECE/TRANS/WP.29/2020/11 was adopted at the fifth session of GRVA. This document aimed to insert a new paragraph 5.1.6.1.2.3. It included para. 5.1.6.1.1 which was reproduced for information. The document did not intend to revert to a previous version or to be amended. It was however ambiguous since paragraph 5.1.6.1.1. was erroneously copy/pasted. As a result, the text of that paragraph in UN R79.03 Suppl.3 does not reflect the preceding versions of the regulation.

2. Para. 3.5.4.1

Paragraph 3.5.4.1. also includes an inaccuracy as the “7 seconds” provision is missing.
