Meeting of the Parties to the Convention
on Environmental Impact Assessment in
a Transboundary Context serving as the
Meeting of the Parties to the Protocol on
Strategic Environmental Assessment

Working Group on Environmental Impact Assessment and Strategic Environmental Assessment

Tenth meeting

Geneva, 1–3 December 2021

Item 6 of the provisional agenda

Financial arrangements

Status of the trust fund: Contributions and expenditures

Note by the secretariat

1. The tables A.1 and A.2 overleaf present income until 5 November 2021 to the trust fund under the Espoo Convention and its Protocol to support the workplan 2021–2023 adopted by the Meetings of the Parties to the Convention and the Protocol at their last sessions (Vilnius, (online) 8–11 December 2020) (decision VIII/2–IV/2).
2. The table A.1 presents: The income to trust fund (in US dollars) by Parties listed in alphabetical order; the Parties' pledges for the period 2021–2023 (as recorded in the report on the Meetings of the Parties sessions (ECE/MP.EIA/30-ECE/MP.EIA/SEA/13, annex I) and any additional/unpledged contributions or pledges made; as well as an US dollar value of the pledges (as converted with an exchange rate from December 2020);
3. The table A.2 presents the income to the trust fund by date.
4. In addition, at the time of the writing of the present document, at their request, the secretariat has sent payment requests for the transfer of contributions from the following Parties: Canada, Czechia, Finland, Latvia, Norway, Poland, Portugal, Slovenia and Spain. The contributions will be recorded once received.
5. At their last sessions, the Meetings of the Parties decided on a financial scheme “whereby all Parties have a duty to contribute to the sharing of the workplan costs that are not covered by the United Nations regular budget” (decision VIII/1–IV/1, para.1). Pledged contributions by 28 out of 45 Parties were recorded in annex I to the report of the Meetings of the Parties sessions of December 2020. Since not all Parties to the Convention had pledged funds before and during the sessions, and as the total value of the pledges remained largely insufficient to cover the resource requirements for the implementation of the workplan for

2021–2023, the Meetings of the Parties urged all Parties that had not yet made pledges to do so.

6. Subsequently, more Parties informed the secretariat of their intention to contribute funds for the implementation of the workplan for 2021–2023. Until to date unpledged contributions for 2021–2023 were received from the following further Parties: Albania, Armenia, Cyprus and Luxembourg.

7. Until to date, the following 10 Parties to the Convention have not contributed nor pledged funds for the period 2021–2023: **Azerbaijan, Belarus, Bosnia and Herzegovina, Kazakhstan, Kyrgyzstan, Liechtenstein, Malta, North-Macedonia, Serbia, the United Kingdom of Great Britain and Northern Ireland.**

8. As requested by the Meetings of the Parties, if contributions by any Parties have not been received by 31 December of the relevant year, the secretariat should write to those Parties to impress upon them the importance of contributing.
