

CENTER FOR INTERNATIONAL PRIVATE ENTERPRISE (CIPE)

Natalia Otel Belan, Regional Director, Europe and Eurasia

November 30, 2021

CIPE OVERVIEW

Founded in 1983 as an affiliate of the US Chamber of Commerce

Based in Washington, D.C. with activities in 65 countries

190 staff, including those in 9 representative offices around the world

Business Advocacy

- Increase private sector participation in policy and decision-making process.
- Strong Associations are Strong Advocates

Enterprise Ecosystems

- Build market institutions, reduce barriers to doing business, and promote an entrepreneurial culture

Business Integrity & Ethics

- Mobilize private sector to streamline regulations and reduce implementation gaps to limit opportunities for corruption
- Support private enterprises to implement ACC and CG

Constructive & Corrosive Capital

- Close governance gaps by promoting transparency and accountability to attract investment with less risk to democracy, institutions, and sovereignty

Women's Economic Empowerment

- Advance gender equality in emerging markets to build inclusive economies that deliver for all citizens

Trade Facilitation

- Support countries that signed WTO's TFA to implement it: government, MNCs, SME

CIPE OVERVIEW

CIPE works with business organizations, civil society, and think tanks

Foster cultures of integrity in the business community

Facilitate grassroots public-private dialogue on regulatory reform

Advocate for policies that increase economic opportunity, trade, and investment
