# Towards the UN Water Conference in 2023

- 9th World Water Forum as a milestone in the preparation of the UN 2023 Water Conference
- Tadjikistan and the Netherlands at the 9th World Water Forum Stakeholders' Meeting
- Protocol with Dushanbe Water Process
- Outcome of the 9th World Water Forum, a major input for the "Resolution" to be issued at the 2023 Conference

*I invite you to reserve your stand, to contribute to the facilitation of the sessions, to sponsor stakeholder's with limited means, in particular young people, women and civil society, and to register now for the Forum.*

*Join us in making "Dakar 2022" a Forum of tangible Responses for people in different regions of the world.*

*It is our duty to achieve this.*
