Dear Sirs,

Regarding our letter no. 1896/08.02.2021 published under Informal document WP.30/AC.2 (2021) No. 6/Corr.1, please be informed about our decision, taken following internal consultation, to withdraw the proposal no. 5, mentioned in informal document WP.30/AC.2 (2021) No. 6, namely: *"In addition to the proposals to amend the text of the TIR Convention (1975), it would be useful to insert a recommendation in the text of the TIR Convention and also in the written agreement between the UNECE and the international organization that the reasons of an exclusion of a national guaranteeing association from the membership of the international organization should be related directly to the violation of the responsibilities of the national guaranteeing association against the guarantee system and the functioning of the TIR Convention."*

Your sincerely,

Director general
Marcel Simion MUTESCU
