## **Multilateral Agreement M344 on the carriage of electronic detonators under UN numbers 0511, 0512 and 0513**

Dear Madam/Sir,

Please find the enclosed Multilateral Agreement M344 concerning carriage of electronic detonators under UN numbers 0511, 0512 and 0513.

During the last Joint Meeting in September, new transitional measures for electronic detonators were adopted, see paragraph 28 in the report [ECE/TRANS/WP.15/AC.1/162](https://www.ece.org/trans/wp15/ac1/162). The transitional measures will be included in ADR 2023. Sweden has submitted this multilateral agreement so that the transitional measures can be used/applied until ADR 2023 enters into force. This agreement is valid until 31 December 2022.

**Best regards**
