

# Special Session of the Working Group on Implementation:

*Seminar on good practices and lessons learned in implementing the  
UNECE Convention on the Transboundary Effects of Industrial Accidents*

**Geneva and online (via ZOOM), 3-4 February 2022**

with interpretation in English, French and Russian

**– Draft provisional agenda (as of 17 January 2022) –**

## Day 1 morning: 3 February 2022, 11:00 to 13:00 CET

### Welcoming and seminar introduction

<b>11:00–11:10</b>	Welcoming	Opening of the meeting by <i>Ms. Torill Tandberg, Chair of the Bureau of the Convention on the Transboundary Effects of Industrial Accidents, Norway</i> <i>Opening remarks by Ms. Helena Fridh, Chair of the Convention's Working Group on Implementation, Sweden</i> <i>Opening remarks by Ms. Nicolette Bouman, Chair of the preparatory group for the seminar, member of the Convention's Working Group on Implementation, Netherlands</i>
<b>11:10–11:25</b>	Gap analysis	Key findings from the <a href="#">ninth report on the implementation of the Convention 2016–2018</a> : Implementation trends and gaps across the UNECE region <i>Ms. Helena Fridh, Chair of the Convention's Working Group on Implementation</i>
<b>11:25–11:30</b>	Resources	Review of the <a href="#">Tables of Good Practices, compiled from the national implementation reports from the 8th and 9th reporting rounds</a> <i>Mr. Joseph Orangias, Consultant, UNECE secretariat to the Industrial Accidents Convention</i>

### Session 1 – Prevention of industrial accidents

*Moderator: Ms. Helena Fridh, Chair of the Convention's Working Group on Implementation and member of the preparatory group for the seminar*

<b>11:30–11:40</b>	Introduction	Overview of the theme of prevention, relevant provisions in the Convention, gaps in implementation and reported good practices <i>Moderator of Session 1</i>
<b>11:40–11:45</b>	Interactive poll	Audience to complete a short online poll during the session on the challenges for the prevention of industrial accidents within their countries / subregions, to which the speakers will review in the discussion <i>Moderator of Session 1</i>
<b>11:45–12:00</b>	Good practice	Methodology by Poland in dealing with matters related to the prevention of major industrial accidents <i>Mr. Radosław Czaplą, National Headquarters of the State Fire Service of Poland</i> <i>10-minute presentation and 5-minute Q&amp;A</i>

<b>12:00–12:15</b>	Good practice & lesson learned	Industrial Safety and Cyber Security – Operational Guidance on <a href="#">Cyber Security for Industrial Automation and Control Systems (IACS)</a> and the related cyber security risk inspections <i>Ms. Gill Smart, Head of Chemicals and Land Use Planning Policy Team, United Kingdom of Great Britain and Northern Ireland</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>12:15–12:30</b>	Good practice	ENPCP – Portugal National Strategy for a Preventive Civil Protection <i>Mr. Paulo Sacadura, Portuguese National Authority for Emergency and Civil Protection</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>12:30–13:00</b>	Discussion	Moderator, presenters, secretariat and audience to discuss key challenges reported by the participants through the online survey and answer questions; wrap-up by the moderator <i>Participants are encouraged to submit questions in advance of the seminar (to <a href="mailto:ece-teia.conv@un.org">ece-teia.conv@un.org</a>) or during the seminar (through the chat)</i>

## Day 1 afternoon: 3 February 2022, 15:00 to 17:00 CET

### Session 2 – Identification and notification of hazardous activities

*Moderator: Ms. Sanja Stamenkovic, Member of the Convention's Working Group on Implementation and of the preparatory group for the seminar*

<b>15:00–15:10</b>	Introduction	Overview of the theme of identification and notification of hazardous activities, relevant provisions in the Convention, gaps in implementation and reported good practices <i>Moderator of Session 2</i>
<b>15:10–15:15</b>	Resources	<a href="#">Guidelines to facilitate the identification of hazardous activities for the purpose of the Convention</a> (location criteria) and the <a href="#">template for the notification of hazardous activities in accordance with article 4 of and annex III to the Convention</a> <i>Ms. Yelyzaveta Rubach, Environmental Affairs Officer, UNECE secretariat to the Industrial Accidents Convention</i>
<b>15:15–15:30</b>	Good practice (transboundary)	Identification and notification of tailings management facilities (TMFs) in the Danube River Basin and beyond, using the TMF Methodology <i>Mr. Gerhard Winkelmann-Oei, German Federal Environment Agency</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>15:30–15:45</b>	Good practice (transboundary)	Belarus' notification and consultation process with Lithuania and Latvia on hazardous installations capable of causing transboundary effects, based on the example of a pipeline <i>Mr. Aleksandr Klobuk, Head of the Department for Supervision of Industrial Safety, Ministry for Emergency Situations of Belarus</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>15:45–16:00</b>	Discussion	Moderator, presenters, secretariat and audience to further discuss the theme and answer questions; wrap-up by the moderator

Participants are encouraged to submit questions in advance of the seminar (to [ece-teia.conv@un.org](mailto:ece-teia.conv@un.org)) or during the seminar (through the chat)

### Session 3 – Decision-making on siting and land-use planning

Moderator: Mr. Raphaël Gonzalez, Member of the Convention's Working Group on Implementation and of the preparatory group for the seminar

<b>16:00–16:10</b>	Introduction	Overview of the theme of decision-making on siting and land-use planning, relevant provisions in the Convention, gaps in implementation and reported good practices <i>Moderator of Session 3</i>
<b>16:10–16:15</b>	Resources	UNECE/EIB <a href="#">Information Repository of Good Practices and Lessons Learned in Land-Use Planning and Industrial Safety</a> and UNECE <a href="#">Guidance on land-use planning, the siting of hazardous activities and related safety aspects</a> <i>Ms. Franziska Hirsch, Secretary of the UNECE Industrial Accidents Convention</i>
<b>16:15–16:20</b>	Video	Screening of UNECE's video on <a href="#">land-use planning and industrial safety</a>
<b>16:20–16:35</b>	Good practice	Switzerland's <a href="#">Guidelines on land-use planning and prevention of major accidents</a> <i>Mr. Raphaël Gonzalez, Federal Office for the Environment FOEN</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>16:35–16:50</b>	Good practice (transboundary)	<a href="#">Planning of the development of the Andash ore deposit</a> and transboundary cooperation in Kyrgyzstan <i>Ms. Gulfiya Shabayeva, Chief specialist of the Department on Industrial Safety Regulation, Kyrgyzstan</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>16:50–17:00</b>	Discussion	Moderator, presenters, secretariat and audience to further discuss the theme and answer questions; wrap-up by the moderator  <i>Participants are encouraged to submit questions in advance of the seminar (to <a href="mailto:ece-teia.conv@un.org">ece-teia.conv@un.org</a>) or during the seminar (through the chat)</i>

## Day 2 morning: 4 February 2022, 11:00 to 13:00 CET

### Session 4 – Emergency preparedness, response and mutual assistance

Moderator: Mr. Vitalii Mutaf, Member of the Convention's Working Group on Implementation and of the preparatory group for the seminar

<b>11:00–11:10</b>	Introduction	Overview of the theme of emergency preparedness, response and mutual assistance, relevant provisions in the Convention, gaps in implementation and reported good practices <i>Moderators of Session 4</i>
<b>11:10–11:15</b>	Resource	Presentation of the UNECE <a href="#">checklist for contingency planning for accidents affecting transboundary waters</a> <i>Ms. Claudia Kamke, Secretary of the Working Group on Implementation and the Joint Expert Group on Water and Industrial Accidents, UNECE Industrial Accidents Convention</i>

<b>11:15–11:30</b>	Good practice (transboundary)	Emergency preparedness for a complex response: examples from Hungary for transboundary cooperation exercises <i>Mr. Ivan Domjan, National Directorate General for Disaster Management, Department for Hazardous Establishments, Hungary</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>11:30–11:45</b>	Lesson learned (transboundary)	Lessons learned from trilateral table-top and field exercises between the Republic of Moldova, Romania and Ukraine at the International Sea Port Guirgiulesti and their development of a joint/transboundary contingency plan in the Danube Delta <i>Ms. Svetlana Stirbu, Danube Logistics SRL, Republic of Moldova</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>11:45–12:00</b>	Discussion	Moderator, presenters, secretariat and audience to further discuss the theme and answer questions; wrap-up by the moderator  <i>Participants are encouraged to submit questions in advance of the seminar (to <a href="mailto:ece-teia.conv@un.org">ece-teia.conv@un.org</a>) or during the seminar (through the chat)</i>

## Session 5 – Scientific and technical cooperation and exchange of information

*Moderator: Mr. Raphaël Gonzalez, Member of the Convention's Working Group on Implementation and of the preparatory group for the seminar*

<b>12:00–12:10</b>	Introduction	Overview of the theme of scientific and technological cooperation and exchange of information, relevant provisions in the Convention, gaps in implementation and reported good practices <i>Moderator of Session 5</i>
<b>12:10–12:20</b>	Good practice (transboundary)	Activities and exchanges taking place within the Czech-German-Polish working group <i>Mr. Pavel Danihelka, Occupational Safety Research Institute Prague, Czechia</i> <i>Mr. Pavel Dobes, VSB-Technical University of Ostrava Faculty of Safety Engineering, Czechia</i> <i>10-minute presentation</i>
<b>12:20–12:30</b>	Good practice (transboundary)	Practices on implementation of a transboundary joint project within <a href="#">Interreg-IPA Cross-border Cooperation Programme Romania-Serbia</a> <i>Mr. Florin Dragomir and Ms. Simona Moraru, General Inspectorate for Emergency Situations, Romania</i> <i>10-minute presentation</i>
<b>12:30–12:40</b>	Good practice (transboundary)	Cooperation and exchange of information on industrial accident prevention, preparedness and response through the <a href="#">Interstate Council for Industrial Safety (ICIS)</a> <i>Mr. Natik Seidakhmedov, Director of State Research Institute for Occupational Safety and Health, State Agency for Safe Work in Industry and Mining Supervision of the Ministry of Emergency Situations, Azerbaijan; and the Secretary of the ICIS</i> <i>10-minute presentation</i>
<b>12:40–13:00</b>	Discussion	Q&A for the above three presentations; moderator, presenters, secretariat and audience to further discuss the theme; wrap-up by the moderator

*Participants are encouraged to submit questions in advance of the seminar (to [ece-teia.conv@un.org](mailto:ece-teia.conv@un.org)) or during the seminar (through the chat)*

## Day 2 afternoon: 4 February 2022, 15:00 to 17:00 CET

### Session 6 – Information to and participation of the public

*Moderator: Ms. Nicolette Bouman, Member of the Convention's Working Group on Implementation and Chair of the preparatory group for the seminar*

<b>15:00–15:10</b>	Introduction	Overview of the theme on information to and participation of the public, relevant provisions in the Convention, gaps in implementation and reported good practices <i>Moderator of Session 6</i>
<b>15:10–15:15</b>	Poll	Participants to complete a poll on policies and procedures in their countries regarding information to the public and public participation in decision-making procedures, including for the public of neighbouring countries; the results to be covered in the discussion of this session <i>Moderator of Session 6</i>
<b>15:15–15:30</b>	Good practice (transboundary)	The Dutch <a href="#">Risicokaart tool</a> – How this tool informs people in neighbouring countries and provides information on hazardous installations that are capable of causing transboundary effects <i>Ms. Rianne Dobbelsteen, Ministry of Infrastructure and Water Management of the Netherlands</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>15:30–15:45</b>	Good practice (transboundary)	Portugal's <a href="#">Participa web platform</a> – How this platform makes public participation more accessible <i>Mr. Augusto Serrano and Mr. Roberto Valadares, Portuguese Environment Agency, Portugal</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>15:45–16:00</b>	Good practice	Public participation in Belgium in external emergency plans of upper-tier Seveso sites (title to be confirmed) <i>Mr. Jeroen Raedschelders, Coordinator in the Emergency Planning Department of the National Crisis Center of Belgium (Home Affairs)</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>16:00–16:15</b>	Good practice	Participation of the public in preparing external emergency plans in Croatia <i>Ms. Vesna Salamunovic, Ministry of the Interior, Croatia</i> <i>10-minute presentation and 5-minute Q&amp;A</i>
<b>16:15–16:30</b>	Discussion	Moderator, presenters, secretariat and audience to discuss the poll results and key challenges under this theme and to answer questions; wrap-up by the moderator <i>Participants are encouraged to submit questions in advance of the seminar (to <a href="mailto:ece-teia.conv@un.org">ece-teia.conv@un.org</a>) or during the seminar (through the chat)</i>

### Seminar Conclusions

<b>16:30–16:55</b>	Summary	Outcomes of the seminar and ways forward <i>Ms. Nicolette Bouman, Chair of the preparatory group for the seminar, member of the Convention’s Working Group on Implementation</i>
<b>16:55–17:00</b>	Closing	Concluding remarks <i>Ms. Helena Fridh, Chair of the Convention’s Working Group on Implementation, and UNECE Secretariat</i>

**The seminar has been organized with support from the Ministry of Infrastructure and Water Management of the Netherlands.**
