Dear Professor Blitz,  
Dear Mr. Lavis,

**Re: Determination of inadmissibility of communication to the Aarhus Convention Compliance Committee concerning compliance by the United Kingdom with provisions of the Convention in connection with the proposed development of the Hendon Hub (ACCC/C/2021/190)**

On 31 October 2021, the secretariat of the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Aarhus Convention) received the above communication from Professor Blitz, on behalf of the Hendon Residents' Planning Forum, addressed to the Compliance Committee of the Convention. The communication concerns compliance by the United Kingdom with respect to access to information, public participation and access justice in connection with the proposed development of the Hendon Hub.

At its seventy-third meeting (Geneva, 13–16 December 2021), the Compliance Committee considered the preliminary admissibility of the communication. During the meeting the Committee heard the views of the communicant on the preliminary admissibility of the communication as well as those of the Party concerned. After considering in closed session the information received, the Committee determined that, in the light of the pending domestic remedies, the communication was inadmissible under paragraphs 20 (d) and 21 of the annex to decision I/7 of the Meeting of the Parties to the Convention.

The text of decision I/7 of the Meeting of the Parties is available at:  
<https://www.unece.org/fileadmin/DAM/env/pp/documents/mop1/ece.mp.pp.2.add.8.e.pdf>

If the communicant considers that the Committee's determination that the communication is inadmissible was based on a manifest error, he may request a reconsideration of the Committee's determination of admissibility. Any such request must be submitted to the secretariat, with a reasoning of no more than 1200 words (2 pages A4 size), no later than five weeks from today, i.e., Monday, 28 March 2022. Please note that a request for reconsideration is not an opportunity to provide information on either subsequent developments or evidence that could have been provided earlier.

Please do not hesitate to contact the secretariat if you require any further information.

Yours sincerely,

---

Fiona Marshall  
Secretary to the Aarhus Convention Compliance Committee
