

Working Group on Environmental Monitoring and Assessment

Twenty-fourth session, Geneva and online, 11-12 April 2022

Agenda Item 5: Regular pan-European environmental assessment supported by the Shared Environmental Information System

Discussion

Discussion on next steps & partners

- Any comments on the assessment findings?
- Any comments on the key messages and recommendations?
- Any comments on the draft ministerial declaration regarding the assessment?
 - These should be channelled through your member of the Committee on Environmental Policy
- Any possibility of further financial and in-kind support for finalization of the assessment?

Thank you!

Proposed Decisions

The Working Group:

- a) Welcomes the full draft of the next pan-European environmental assessment and its summary for policymakers
- b) Takes note of the final steps needed and the timeline for completion
- c) Welcomes the presentations of thematic sections of the assessment by the authors
- d) **Suggests ...**
- e) Requests the secretariat to forward the summary for policymakers to the Committee on Environmental Policy once all comments are incorporated
- f) Requests an update on the outcomes of the 9th Environment for Europe Ministerial Conference related to the assessment at its next session
